Our sympathy really goes out to Joe Maul Heydon, Hope, high athlete who broke both of his arms in a weight lifting accident in the school gymnasium yesterday.

about 30 years ago this writer broke both of his arms at the same time and believe me it's a helpless situation.

The Lions Club auction seems to be going unusually good. This year, tonight and Thursday, netting over \$1,000. This money will be used to purchase Christmas baskets which are passed out to needy families.

tonight, is the final one, so help if you can.

The Game and Fish Commission figure that when the final tabulation has been made the November deer kill in Arkansas will reach 7,000.

Seems like every time Hope won a game during the latter stages of the season, the so-called poll by the Associated Press dropped them in the ratings, finally ranking them 6th in the last go.

The Gazette was a little better rating them 5th, but there is not a fan in this area who won't tell you the Bobcats were lions and the only team that would rate a chance with Hope was El Dorado.

U. S. Savings Bonds sales in October totaled \$21,534 in Hempstead, says Chairman Syd McDaniel. This brought the year's total to \$209,134 or 41.5 per cent of the \$504,000 quota.

Louis Dickinson of Hope, said sales of \$10,154 pushed the year to \$108,518 or 71.1 per cent of the \$154,000 quota.

J. G. Cline reported Lafayette sales of \$2,810, the year at \$69,370 or 58.4 per cent of the \$119,000 quota.

Dale Ledbetter reported Nevada sales of \$11,272 for a year total of \$121,315 or 55.5 per cent of the \$219,000 quota.

Admission will be 50c for adults, and 25c for children. Games and other entertainment will be provided after supper. Miss Agnes Bearden of El Dorado, who is a niece of Mrs. W. I. Stroud of Washington, will be a featured singer of the evening.

Wildlife Group Meets Here on Thursday

New officers and board members for the Hempstead County Wildlife Assn. will be elected at the regular meeting tomorrow night at the Hempstead County Courtroom according to President Dub Flowers.

He uses all members of the association to be on hand for the election and program. Program Chairman Jerome Duffie will show a wildlife film. Meeting time is 7:30 p. m.

President Flowers said the association through its large membership and a large number of hard working members had achieved more than most people realize. He said that only through an organization of this type can we hope to improve our hunting and fishing in Hempstead County.

He said that the club would press for completion of the Bois D'Arc project, elimination of water pollution and many other projects in 1959. Flowers said that a large membership is necessary if we expect to yield a heavy stick. The annual membership drive will start within a few weeks.

Judge Soon to Get Mandate on Integration

By JOHN R. STARR

LITTLE ROCK (AP) — A mandate instructing a federal judge to implement integration in Little Rock's closed high schools was expected to reach the U. S. District Court Clerk's office here today.

Mrs. Lollye Blanz, chief deputy clerk, said the mandate would be forwarded immediately to District Judge John E. Miller, Jr. whose court the order will be put into effect.

At Fort Smith, Miller said he will decide on a hearing date shortly after he receives the mandate, probably tomorrow.

The 70-year-old jurist faces the precedent-setting task of forcing the reopening of Little Rock's four high schools before integration can be resumed. The mandate, issued by a 3-judge panel of the Eighth U. S. Circuit Court of Appeals at St. Louis, is not expected to spell out how Miller should accomplish this.

The return to Miller's court will complete a full cycle for the controversial Little Rock integration case. It was Miller who, in 1956, enjoined the school board's voluntary plan of gradual integration after the National Assn. for the Advancement of Colored People challenged the program as too slow.

Miller declined to discuss what legal steps he planned in the latest phase of the case, which has been argued before two other district judges, several appellate panels and the U. S. Supreme Court.

He said he would follow established legal procedure in every application.

"There will be no undue delay, there will be no precipitation," he said. "This is a matter of great importance for peremptory action."

Miller said all parties with a valid interest in the case would be permitted their day in court. The only present litigants are the Little Rock School Board and the NAACP.

Legal authorities have said the issue of constitutionality of state laws under which Gov. Orval E. Faubus closed the high schools must be joined in the case and a decision rendered before the court can proceed with implementation of integration.

Miller said neither of the present litigants has raised a challenge of the school-closing law, which has been upheld in a state chancery court, and no other parties have yet tried to intervene in the case.

Any order Miller issues probably will be directed against a new school board to be elected Saturday. Five members of the old board resigned en masse, three weeks ago, saying the conflict between federal court integration orders and state laws placed them in a hopeless, helpless, frustrating position.

Faubus shut the school doors Sept. 4 after the Supreme Court refused to permit a 2½ year delay in the integration plan. About 8,000 students were left without schools by the governor's action but some 2,000 of them since have begun attending classes either in public schools in other districts or in two emergency private schools established here.

Only one school, Central High, was directly affected this year by the gradual integration plan. Seven Negroes were eligible to attend the 2,000-pupil school. Nine Negroes attended Central last year under protection of federal troops.

Drunk Driver Gets 1,801 Day Sentence

LITTLE ROCK (AP)—A Little Rock resident sentenced to 1,801 days in the Pulaski County Penitentiary on a drunken driving conviction got a pardon yesterday.

Gov. Orval Faubus issued the pardon for James Stone, who was sentenced July 30 on three counts of drunken driving. Police said he had a record of traffic violations which dated back to 1949.

Israeli, Syria Artillery Duel Across Border

JERUSALEM, Israeli Sector (AP)—Syrian and Israeli artillery units duelled across the border for an hour today. The shooting ended at 7:10 p. m., after U. N. truce observers asked for a cease fire.

First reports indicated that one man—an Israeli shepherd—was killed by shellfire, a U. N. spokesman said.

An Israeli Army source charged that the shelling began from a Syrian position with fire directed against two shepherds tending their flocks inside Israeli territory south of Gushen settlement, near the Jordan River.

The spokesman added the Syrians also fired at Israeli border police trying to evacuate the men. The border police returned the fire.

The border area follows the river Jordan's course from the Lebanese frontier to the Sea of Galilee.

It has been marked by sporadic shelling over the years since armistices ended the Palestine War of 1948.

In Damascus, a United Arab Republic Army spokesman charged that a group of armed Israelis crossed the Syrian region border with a herd of cows and penetrated 800 yards into Arab lands west of Rawlyah village.

"When Arab villagers attempted to drive the herd out, the Israeli armed group opened fire on them," the Damascus spokesman added.

Army Unveils Its New Moon Rocket, Juno

CAPE CANAVERAL, Fla. (AP)—The Army unveiled its huge moon rocket—Juno II—Tuesday when the service tower was rolled back as part of the preparations for a launching expected within a week.

The powerful rocket, very similar in appearance to the Jupiter C that fired three Explorer satellites into orbit, will be used for the Army's first attempt to probe far into outer space.

When the tower was rolled away the base of the Army's highly touted Jupiter intermediate range ballistic missile was seen. The top of the rocket was covered, however.

For the moon shoot, the Jupiter will be used as a first stage booster or rocket in place of the smaller Redstone missile which gave the big lift to the Jupiter C satellite vehicle.

The Army moon missile is expected to be a four stage rocket using clusters of small, solid fuel Sergeant rockets in the upper stages. Its job will be to push a 20 pound satellite payload perhaps farther into space than any previous manmade object.

Its name will be Juno II. The first Juno was a Jupiter test vehicle fired more than a year ago in one of the early nose cone reentry experiments with the 1,500 mile ballistic missile.

The rocket will be aimed toward the vicinity of the moon, but Dr. Werner von Braun, Army missile research chief, said recently the chances of hitting the moon or orbiting around it are slim.

Unlike the three Air Force lunar probes, Juno II will not have the necessary guidance in the upper stages to pick out so fine a target.

If all goes well, however, the Army moon rocket might go beyond the moon and far out into space. One of its chief experiments will be to investigate the intense radiation field that rings the earth.

Alford to Deliver Address to Club

NORTH LITTLE ROCK (AP)—Dr. Dale Alford, congressman-elect for the state's Fifth Congressional district, will deliver an address at the Levy Sertoma Club's annual Christmas benefit here Dec. 11.

Club officials said they understood Alford would discuss his aims as a representative of the Fifth District. He is scheduled to take office Jan. 1 to succeed Rep. Brooks Hays (D-Ark).

It's amazing how long some people can talk without stopping to think.

U. S. Planning New Satellite Series in Week

WASHINGTON (AP)—The United States plans to send into orbit perhaps a monkey into orbit aboard big satellites in a series of tests starting in a few weeks.

The satellites will be launched from the new Vandenberg Air Force Base in California. The Defense Department's Advanced Research Projects Agency announced today that the "Project Discoverer" program will try to put up a 1,300-pound device in its first launching attempt "late this year or early next year."

At least a dozen satellite launchings will be attempted, as fast as one a month, Roy Johnson, ARPA director, told newsmen.

Johnson also said that an attempt will be made next year to recover a capsule from a satellite, bringing it back through the atmosphere.

Johnson said mice will be used and, "We may, in one, use a primate."

He said that the program, for the present, does not include sending up a man.

Goodfellow Auction in Final Night

Radio listeners can win their choice of three silver dollars or a turkey tonight simply by having their radio on and listening to the Lions Christmas Auction.

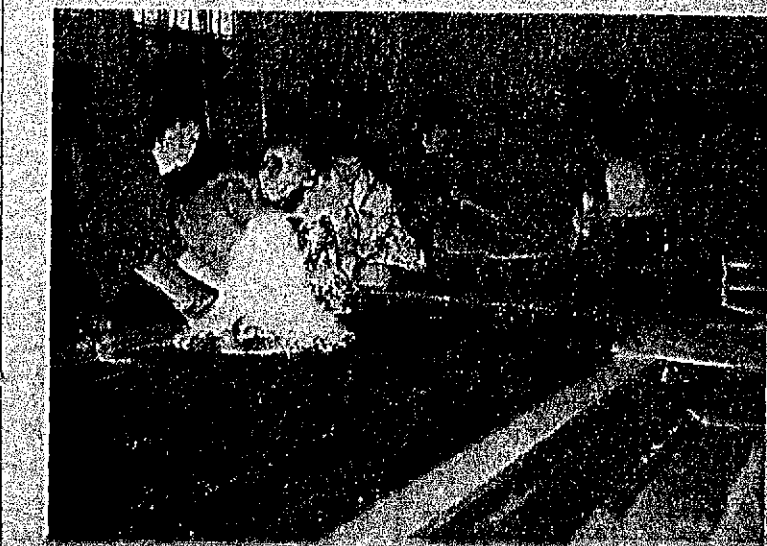

Throughout the broadcast period KXAR's Cruiseboat will cruise around the Hope area, frequently stopping at homes and rewarding listeners with silver dollars to those listening to the auction.

A friendly feud was started last night for a good cause when Rev. Rufus Sorrels of the First Methodist Church and Dr. John McDaniel of the First Baptist Church agreed to appeal for cash donations for the charity affair.

The minister raising the most will ride in a wheel barrow from the depot to his church and he will be pushed by the losing minister. The event will be a public affair with the date and time to be advertised later. The contest between the two pastors will come to a close tonight at the end of the auction.

Tonight is the final night and the auction will start 30 minutes early. Starting time will be 6:30 p. m.

Getting Ready for Parade

AMONG THE dozen floats in the Christmas Parade slated for downtown Hope, Thursday night at 7:30 are those being carried after the parade by the Hope High School, Middle Garland School and Patton Bros. school. All will arrive at the Armory.

Chairmen Tell Business About Demo Sweeps

NEW YORK (AP)—The chairmen of the Republican and Democratic national committees today gave the nation's business leaders their explanations of the Democratic sweep in the Nov. 3 elections. Needless to say they disagreed.

GOP National Chairman Maestri blamed his party's poor national convention of the National Assn. of Manufacturers — the final test, mainly on the downturn in congress of American industry.

employment and general business activity. He contended the Republicans still have the "better product to sell" but "we lack the sales force."

His Democratic counterpart, Paul M. Butler, said the Nov. 3 results were a "ringing repudiation of the Eisenhower administration and its failure to provide economic growth, employment, cost of living, labor legislation, education, defense, human rights and foreign policy."

Alcorn and Butler were invited to give their views before the annual convention of the National Assn. of Manufacturers — the final test, mainly on the downturn in congress of American industry.

Broyles to Coach in Copper Bowl

West Virginia Continues Winning Ways

By BEN OLAN
Associated Press Sports Writer

West Virginia, the Southern Conference powerhouse and the nation's top-ranked team last season, has won two games in the opening two days of the college basketball season.

But for the second night in succession, the Mountaineers have had to come from behind in the second half. They did it in defeating VMI 82-71 Tuesday night, extending conference skid to 38 consecutive victories.

The triumph was not secured until the final two minutes. The Keydets held a brief lead early in the second half and after dissipating it deadlocked the game at 70-70 with 2:40 remaining. The Mountaineers, however, turned on

the National All-Stars for benefit of the March of Dimes.

Broyles, who guided Arkansas to a 4-6 season in his first year as head coach, said he will be assisted by Frank Kusk, coach at Arizona State, in the Copper Bowl game.

Team members for the opposing teams have not been named.

their vaunted fast break in the closing moments.

Pivotal second-half rallies were the order of the night.

Wake Forest got hot in the last three minutes to beat Davidson 66-52. Virginia finished strong in defeating William and Mary 85-74 and a driving layup by Ken Coulter in the final five seconds enabled Tennessee to down Wyoming 72-71.

In other games, less closely contested, Illinois trimmed Butler 108-78, Marquette walloped Wisconsin 76-47, Oklahoma City beat Southern Methodist 74-51 and Xavier of Ohio, last season's National Invitation Tournament winner, downed John Carroll 91-71.

Chuck Cotton of VMI gave West Virginia a rough time. He scored 30 points. Heralded Jerry West had 19 for the Mountaineers, who eked out a 76-67 victory over Furman in the season opener Monday night.

Wake Forest, which led most of the way, was caught by Davidson at 50-all with three minutes to go. But the Deacons piled up their winning margin on free throws. Dave Hollingsworth had 20 points for the winners.

Illinois connected on eight of its first 11 shots and raced to a 17-2 lead. Twice in the second half Buckler pulled to within 13 points, but each time the Illini put on the pressure to go far in front.

Final Grid Ratings Leave Hope in 6th

By THE ASSOCIATED PRESS

El Dorado won solid acclaim from Arkansas sportswriters as

the unofficial state champion in the Associated Press rankings of schoolboy football teams.

The Wildcats, who broke a Little Rock Central monopoly on Big Nine Conference titles this season, took all the first place votes in the year's final poll with a maximum 80 points.

Little Rock Hall, which pressed El Dorado most of the season, dropped into fourth place after

suffering its first defeat 7-0 at the hands of Central Thanksgiving Day.

Fort Smith climbed into second place with 69 points, edging Central which collected 65 points. Central took second place in the Big Nine, but the Grizzlies, who finished third, beat the Tigers early in the season.

Five Class AA Clubs and De Queen, an A school, rounded out

the top 10.

Little Rock Catholic, which lost its opener to Hall then sailed unbeaten to the Region Three Championship, was fifth with 51 points. Hope, the unbeaten Region Four titlist took sixth with 30 and De Queen was seventh with 26. West Memphis, Region Two co-champion, held eighth with 19, and Van Buren, a co-titlist in Region One, was ninth with 18. Forrest City,

co-winners with West Memphis, settled in 10th with 9 points.

Others receiving votes included Conway 5, Fordyce 3, Greenwood 2, Ennis 1, Fayetteville 1 and Walnut Ridge 1.

When it is 12 o'clock noon in New York City, it is 11 o'clock the morning of the following day in Hong Kong.

... starts with the wonders of wide-track wheels

ONLY CAR WITH WIDE-TRACK WHEELS

acclaimed by experts as the year's top engineering advance! The wheels are moved out 5 inches for the widest, steadiest stance in America—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. Pontiac gives you roadability no narrow gauge car can offer!

You've never known a car to ride so smoothly, or handle so surely ... because no car was ever built like this before. And that wide, solid stance is only the beginning. Engineering's hottest team really poured it on to produce this one for you. There's a great new Tempest 420 engine to give you the most breath-taking performance on wheels ... or, if it's extra economy you're after, Pontiac has, at no extra cost, a new V-8 companion, the Tempest 420E, that actually delivers better gas mileage than many smaller cars with so-called "economy engines." There are great new True-Contour Air-Cooled Brakes for smooth, safer stops. And inside, seats wider than a sofa. Come on in and see for yourself. And remember, your quality Pontiac dealer displays the manufacturer's suggested retail prices on every new Pontiac!

PONTIAC MAKES V-8 HISTORY! A Pontiac Tempest 420E has set a NASCAR sanctioned and supervised 2,442 mi. coast-to-coast economy mark on regular gas—only 1.1¢ per mile at an average speed of 40.2 m.p.h.!

'Cats Honored at Banquet, 29 Get Letters

A large crowd, estimated at 200 plus, honored the undefeated and untied Hope Bobcats last night at a banquet in the school cafeteria.

Coach Frank Broyles of the University of Arkansas was principal speaker and highly praised the Bobcats and Coaches for their splendid season.

Coach Pierce also praised his team and the Bobcat fans for their splendid support all season. The coaches were presented a gift by the team and bonuses from the Booster Club.

Coach Pierce announced his lettermen as follows:

Larry Vaughn, Bobby Embree, Winston Duke, Roy Rowe, Terry Don Thurman, Jerry Thurman, Bill Haur, David Watkins, Eddie King, Johnny Graves, Don Boothe, Gray Farnby, Bobby Elwin, Larry Walker, Max Bruce, Teddy Messer, Joe Jones, Jimmy McFarly, Johnny Turner, Joe Matt Herndon, Tommy Jones, Bill Butler, Mike McMurrough, Joe Duke, Ray Duke, Charles Blackwood, Wayne Camp, Byron Smiley and Junior McNall.

Ronnie Garner made 9 to lead Spring Hill Junior boys to a 15-14 win. Jim Hastings scored 7 for the losers.

Laneburg Senior girls looped a 30-20 victory as Ruth Ann Saunders made 20 points. Linda Gallows was high for Spring Hill with 20 points.

Bobby Thompson made 19 and Terrell Townsend 10 to pace Spring Hill senior boys in a 39-29 win. Miller was high for Laneburg with 14.

Officials were Terrell and Delton Calhoun. Friday night, Blevins comes to Spring Hill for three games.

TCU, Texas Post Wins in Cage Play

By THE ASSOCIATED PRESS

Texas Christian and Texas added to the Southwest Conference victory in basketball opening.

Oklahoma City University rolled to a 74-51 triumph over the visiting SMU club. TCU belted Austin College 93-62 and Texas walloped McMurray 73-48.

Arkansas sees its first action Wednesday night against Missouri at Columbia, Mo., while Texas Tech 93-67 victor over West Texas State Monday Night, plays its second game against Oklahoma at Norman, Okla.

Tuesday night's showing left the Southwest Conference with a 6-2 record against non member schools.

Oklahoma City's Indians surged to a safe margin shortly before halftime and the Southern Methodist Mustangs led only once, 15-14, early in the game despite a 24 point contribution by Bobby James. James took scoring honors with nine field goals and five for five at the free throw line. Sophomore Fred Moses of the Chiefs was roped with 20.

A top-scoring performance by Austin College's Bob Landolt also went for naught against TCU at Fort Worth. He tallied 24 points but the Horned Frogs easily won that with 23 from H. E. Kirschner, their 6 foot 10 giant and 10 from Ronny Stevenson.

Sophomores set a torrid pace for Texas as the Longhorns tripped the McMurray Indians in Austin. Albert Almanza, a 68 soph, and Junior Jay Arnett led Texas to a 33-22 halftime edge.

Wayne Clark and Donnie Smith, other Longhorn sophomores, took over after intermission. Clark, although on the floor only half the game, shared scoring laurels with the Indians' Owen Mobley as each rank 14 points.

American League Chief Resigns

WASHINGTON (AP) — William Harridge resigned today as president of the American League.

Harridge, who headed the league since 1931, made his decision known this morning after meeting with baseball club owners.

His retirement will become effective as soon as the league is prepared to select his successor.

Harridge, 72, joined the American League as secretary to President Ban Johnson in December 1911 and has remained with the league ever since. He was elected league secretary in 1927.

He served under the league's second president, E.S. Barnard, and after Barnard's death in 1931 was named league president.

Donnie Stone to Play Shrine Game

SAN FRANCISCO (AP) — Bobby Newman of Washington State and Lee Grosscup of Utah, two of the nation's top collegiate passers, will call signals for the west squad in the Dec. 27 East-West Shrine football game.

Nine of the 24-man West squad announced yesterday have been drafted by National Football League pro teams. Newman was chosen last year by the San Francisco 49ers and Grosscup was picked Monday by the New York Giants.

Jack Curtice of Stanford will coach the West team with Len Casanova of Oregon and Bill Wuk of Southern Methodist as assistants.

The West squad includes half back Donnie Stone of Arkansas.

House May Probe Votes in Minnesota

WASHINGTON (AP)—A House committee has asked Minnesota authorities to preserve all ballots in the disputed election which brought defeat to Rep. Coya Knut-

son. The committee acted amid confusion over the status of a \$200,000 suit filed by Mrs. Knutson's husband, Andy, against William Kjeladahl, Mrs. Knutson's top aide.

Last week, Kjeladahl made public a letter purportedly from Andy Knutson and saying that Knutson was dropping his suit alleging alienation of affections and slander. That letter also said Knutson had fired his Washington lawyer, Benedict F. Fitzgerald.

Monday, Fitzgerald said Knutson had no right to act personally in dropping his suit. The lawyer also said he has not had any notice from Knutson that he has been removed from the case.

But the U.S. District Court clerk's office said a memorandum signed by Knutson to dis-

miss the case was enough. Mrs. Knutson declined to talk with newsmen, but a member of her office staff said a member of the woman was living with her husband. The aide said she did not know where they were staying. Differences between the Knutsons became news last spring when Andy publicly appealed to his blonde wife to give up politics and return home. He is a hotel operator in Oklee, Minn.

Disregarding this appeal, Mrs. Knutson ran for a third term but was defeated narrowly by Republican Odin Langen.

After announcement that her husband was dropping his suit against Kjeladahl, Rep. Knutson asked the House Elections Com-

mittee to investigate. Mrs. Knutson charged a malicious conspiracy by her political opposition.
